## VARIANCE REQUEST

Variance from Ordinance #1135

I, the undersigned, verify to the Collingswood Fire Department that all the keys in the Knox box will open all locked doors in the event of an emergency.

I, the undersigned, additionally certify that the Knox box installed on my property is tampered to my fire alarm system. If this is not true I, the undersigned, take responsibility if the Knox box is tampered with or removed.

If it is necessary for you to change the keys during the year we are available to come out and open the box for you with a couple of hours notice.
