

ORDINANCE NO. 1475

AN ORDINANCE ADOPTING AMENDMENTS TO THE STANDARD
OPERATING PROCEDURES FOR THE FIRE DEPARTMENT OF THE
BOROUGH OF COLLINGSWOOD

Be it Ordained by the Borough Commission of the Borough of Collingswood that:

PURPOSE

The purpose of this Ordinance is to adopt revised standard operating procedures as prepared and recommended by the Chief of the Collingswood Fire Department.

WHEREAS, the Fire Department ("Department") for the Borough of Collingswood maintains procedures for the general operation and efficiency of the Department including training, employment, discipline, maintenance of equipment and other similar items, and

WHEREAS, the operating procedures are periodically reviewed and revised by the Chief of the Department to ensure that the department continues to remain current in all aspects of fire safety and general administrative procedures, and

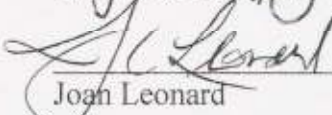

WHEREAS, the Chief recently conducted a review of the operating procedures for the Department and recommends various modifications and revisions to such procedures.

NOW THEREFORE, the Borough Commission for the Borough of Collingswood, upon the recommendation of the Fire Chief of the Collingswood Fire Department, hereby ordains and adopts the recommended procedures as the standard operating procedures for the Borough of Collingswood Fire Department.
